

## Jabra VXi Tria Headset

### A professional corded headset with a choice of wearing styles.

The VXi Tria is the perfect choice for supervisors and other office workers who need dependable, professional-grade communication on both ends of the call, along with the comfort of a custom fit.

#### Great, clear sound

Ultra noise cancelling microphone virtually eliminates background noise. HD Voice delivers superior sounding calls.

#### Multiple wearing styles

Choose the wearing style you prefer. Three wearing styles give users a choice of custom-fit options.

#### All day comfort and durability

Lightweight, with a choice of foam and leatherette cushions for comfort. Flexible microphone boom stays in place for optimal sound quality.

Reasons to choose

#### Jabra VXi Tria Headset

- Choice of wearing styles: over the ear, behind the neck, and over the head
- Be heard clearly with ultra noise cancellation
- Stay focused all day with the lightweight, stable, comfortable design
